

Village of Waterloo

Downtown Revitalization Initiative

Local Planning Committee Meeting #3

The Village of Waterloo was selected as a \$10 million winner of New York State's Downtown Revitalization Initiative (DRI) program to support transformative projects in the downtown.

The Local Planning Committee (LPC) will act as the steering body for the DRI process, meeting regularly to brainstorm ideas, provide direction to the project team, and evaluate and recommend projects to fund.

Local Planning Committee (LPC) Meeting #3

At LPC Meeting #3, the Consultant Team will share further highlights from the Downtown Profile and Assessment, which identifies the opportunities and challenges that DRI projects can address. This will include an overview of Waterloo's physical, historic, economic, and demographic context. A summary of all the projects received through the Open Call for Projects will also be shared.

This event is open to the public with time reserved at the end of the LPC's working session for public comment. We encourage you to attend!
